END ADDENDUM NO.< 1>

NOTE TO DESIGNER:

- 1. All addendum are to be approved by the Owner's Project Manager or their supervisor before issuance.*
- 2. The first item on the addendum must advise bidders that the Bid Opening Date is either "not changed" or that the "Bid Opening Date is Changed to (date and time)."*
- 3. Unless the bid date is extended by addendum, all addenda must be transmitted such that receipt occurs five working days prior to bid opening. The Owner will send all addenda to all planholders including other state agencies, plan rooms, etc.*
- 4. Generally, Pre-Bid Meeting minutes will be attached to the next addendum going out after the meeting. Minutes are to reflect the meeting as accurately as possible and will be considered as a communication device to others not able to attend. The minutes are not to change the plans and/or specifications. The main body of the addendum will be used to officially change the plans and/or specifications for any items discussed at the Pre-Bid Meeting (for example "ADD:" or "DELETE:" or "MODIFY DRAWINGS:" etc.)*
